Letter from E.Bennett Esq., I.C.S., Collector of Bellary, Ref. C.No.7072/30-A-6, dated 22nd August 1930.

REFERENCE:

S.Nos. 220 and 320 of Sovenahalli village, Hadagalli taluk, Bellary district, are classed as 'vanka' porambokes, and S.No.1 as 'Tungabhadra poramboke' in the village accounts and are treated as river accretion under B.S.O. 15-35(x). The Collector recommends the lease of the lands for fasli 1340, without auction

to members of the depressed classes as they cannot compete with well-to-do caste ryots in open auction. He proposes that the lands may be leased out for a sum equal to three times the highest dry rate of the village which comes to Rs.2-10-0 per acre and subject also to the payment of assessment at 0-14-0 per acre (the highest dry rate) on the extent occupied. The Board supports the Collector's proposal, but considers that instead of levying both assessment and rental, a rental alone, as in the case of lanka lands in the northern districts, equal to four times the highest dry rate of the village may be fixed.

2. The Superintending Engineer, P.W.D. has no objection to the proposed lease.
